Mr. Howie Eaton
Program Director
Station WYBC
Yale University
New Haven,Conn

Dear Howie,

At this moment we of the Dartmouth community are ever so deep in the process of taking final examinations.....sad to relate. Since the station signed off the air last Saturday AM,we are free of the burden of WDBS taking our time up. My main purpose in writing this is to wish all of you at WYBC and Ivy the very best summer vacation, both entertainment wise and job wise. I hope that this next year will show a great deal of exchanging of programs between us, and in general, top-notch programming.

My personal best to you and Tony and in the words of one of our stellar engineers...."stay Loose!"

Best reguards,

Bill
